The provisions of these Bylaws relating to the payment of dues, assessments, fines or penalties, shall not be construed as incorporating into any union-security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all financial obligations imposed by or under the International Constitution, the District Council Bylaws and these Local Union Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed, and enforceable in a court of law.

2. If any provision of these Bylaws shall be declared invalid or inoperative, by a competent authority of the executive, judicial or administrative branch of the federal or state government, the Local Union Executive Board, subject to approval of the Local Union, shall have the authority to suspend the operation of such provisions during the period of its invalidity and to substitute in its place and stead a provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any article or section of these Bylaws should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of these Bylaws or the application of such article or section to persons or circumstances other than those as to which it has been held invalid, shall not be affected thereby.
