

# *American Income Life Insurance Company*

## **A True Friend of Labor**

IUPAT DC 16 would like to reintroduce its members and retirees to American Income Life Insurance Company (AIL). Established and growing since 1951, AIL's dedication to working families has made it one of the largest providers of supplemental insurance in its marketplace. AIL has earned the respect of Unions nationwide because it is a 100% wall-to-wall Union Label insurance company. They are represented by OPEIU Local 277 here in the United States.

A letter will be sent out this month to all members and retirees informing them of the Group Accidental Death & Dismemberment (AD&D) coverage provided to members and retirees at "No Cost" through AIL. Included with this letter will be a response card and we ask that each member and retiree fill out and mail back the postage-paid card within ten days in order to receive the "No Cost" benefits.

**NOTE:** These supplemental benefits do not conflict with or replace any benefits currently provided by DC 16 but are offered in addition to them. The AD&D coverage is automatic for all members and retirees, however, you must return the response card to receive your certificate of coverage and designate your beneficiary, as well as, receive information about additional insurance coverage available.

### **Here are some of the many reasons why AIL is the Insurance Company of choice for Unions:**

- ✓ AIL supports the Union movement in both word and deed. Whether on a picket line, precinct walk or phone bank, AIL is always there to support America's working families.
- ✓ AIL proudly waives insurance premiums for policyholders during an authorized strike up to one year. Premiums never have to be repaid.
- ✓ AIL's field force is one of the largest contributors to food banks in North America. Food collected provides support throughout the year for Union families in need.
- ✓ AIL representatives are active in Union activities. They promote a "Be Union – Buy Union" philosophy and have been cited as a 100% Union Company by the AFL-CIO Union Label and Services Trades Department.
- ✓ AIL is very active in voter registration drives with Local Unions.
- ✓ AIL supports pro-Labor candidates and legislation.
- ✓ AIL supports many worthwhile pro-Union community causes.

American Income Life looks forward to working with the membership of DC 16 while giving them a Union choice for their insurance needs. For any additional information please contact Mark Gagliardi, American Income Life Public Relations, at (925) 698-0719.
