If there is a second offense by the same Employer, they will not be allowed to have a new Apprentice for a period of twelve (12) months. After an Apprentice is employed by an Employer for thirty (30) days, a penalty of five hundred dollars (\$500.00) will be imposed on any Employer who does not return the Apprentice's evaluation within thirty (30) days from the increase date for each

All travel commencing after being required to report to the Employers shop to and from the jobsite will be considered as hours worked and use of the employee's vehicle will be reimbursed at the current IRS rate per mile.

ARTICLE 15 GRIEVANCE & ARBITRATION

Section 1. For all purposes of this Agreement, a grievance is any dispute or controversy between the Employer, the Union and any employee covered by this Agreement, involving the meaning, interpretation or application of the provisions of this Agreement and those disputes set forth in Section 9 below.

Section 2. Such grievances shall be handled in the following manner:

- (a) The aggrieved employee or Union Representative shall present the grievance in writing by email or fax to the designated representative of the Employer and NCPFC and shall meet with that representative within ten (10) working days to discuss the grievance.
- (b) If no settlement or resolution is reached within ten (10) working days after the meeting referenced above, it may be submitted, at the request of either party to arbitration by written notice by email or fax to the other party within fifteen (15) working days from the date of the above referenced meeting.

Section 3. ARBITRATOR - If the parties cannot reach agreement on an impartial Arbitrator, either the Union or the Employer may request the California State Conciliation Service to submit a list of five (5) Arbitrators to the parties. The list shall contain only established Labor Arbitrators in the state of California. Each party shall alternately scratch two (2) names from the list, the first scratch being selected by lot, and the person remaining shall be the Arbitrator.

Section 4. HEARING - The impartial Arbitrator shall hold a hearing as soon as practicable, and shall issue an award which shall be final and binding upon the Union, the Employer and any employee

involved in the grievance or dispute.

Section 5. AMEND AGREEMENT - The Arbitrator shall have no authority to amend, add to or subtract from this Agreement, except where specifically authorized to do so by this Agreement. The Arbitrator shall have the authority to fashion a remedy.

Section 6. EXPENSE FOR ARBITRATION - The party losing the arbitration shall pay the Arbitrator's charges. Cost of the hearing room shall be shared by both of the parties. The cost of the transcript if requested by both parties shall be shared equally. If there is any question who lost the arbitration, the Arbitrator shall decide who shall pay the expenses of the Arbitrator whether in whole or in part.

Section 7. FOURTEEN DAY LIMIT - Matters not presented to the Employer or the Union in writing via email or fax within a period of fourteen (14) working days after the action, lack of action or condition constituting the basis of the complaint occurs, shall be deemed waived and shall not be subject to the grievance procedure or arbitration procedure as set forth above.

Section 8. UNION ECONOMIC OR LEGAL ACTION - In the event of a failure by the Employer to pay the wages or fringe benefits required by this Agreement, and the Employer raises no question concerning the interpretation or operation of this Agreement or concerning his obligations to pay remedies as it sees fit with respect to the Employer, and any economic action taken will not be considered a violation of this Agreement. However, the Union may, if it so desires, utilize the provisions of this Article with respect to the Employer. Before resorting to any economic remedy as above permitted, the Union must give the Employer involved two (2) business days written notice of its intention to take such economic action. No economic action may be taken by the Union if prior to the taking of such action the Employer has raised a question concerning the interpretation, application or operation of this Agreement or concerning his obligation to pay wages or fringe benefits in dispute, and had deposited the full amount in dispute with the appropriate Trust Fund to be held by the Trust until the matter is resolved under the procedures set forth herein. The provisions for notice in this paragraph shall not apply to any action taken by the Union pursuant to Article 14.

Section 9. ARBITRATION OF WAGE AND HOUR CLAIMS AND THE CALIFORNIA PRIVATE ATTORNEYS GENERAL ACT PRECLUSION - In addition to claims for meal period, rest period and heat recovery violations governed by Article 11, Section 1, the following claims and claims for associated penalties shall be resolved exclusively through the binding arbitration before an impartial Arbitrator as set forth in this paragraph, and shall not be brought in a court of law or before any administrative agency such as the California Labor Commissioner: all claims arising under the Fair Labor Standards Act, the California Labor Code and the Industrial Welfare Commission Orders (e.g. Wage Order 16) and all derivative claims arising under California Business & Professions Code section 17200, et seq. for: unpaid wages (e.g. claims for hours worked off the clock, overtime wages, minimum wages, incorrect rate(s) of pay and travel time); heat illness recovery violations, waiting time penalties; reimbursement of expenses (e.g. tools, cell phone charges, mileage and subsistence); recordkeeping of personnel files, time records and payroll records; violation of Labor Code sections 212 and 226, and all similar claims arising under applicable local law.

It is mutually agreed that this Agreement prohibits any and all violations of the Sections of the California Labor Code identified in Labor Code 2699.5 and 2699(f) as well as any others that are redressable pursuant to the Labor Code Private Attorneys General Act of 2004 ("PAGA"), and that such claims shall be resolved exclusively through binding arbitration before an impartial Arbitrator and not in

court of law or any administrative agency, as set forth in this Section. Pursuant to California Labor Code Section 2699.6, the parties hereby expressly and unambiguously waive the provisions of PAGA, Labor Code Section 2698, et seq., and agree that none of the provisions of that statute apply to any of the employees covered by the Agreement. This Agreement expressly authorizes the impartial Arbitrator to award any and all remedies otherwise available under the California Labor Code, except the award of penalties under PAGA that would be payable to the Labor and Workforce Development Agency. Any grievance alleging a violation of PAGA shall be resolved on an individual employee basis only and any claim under PAGA to recover civil penalties or other individual relief must be arbitrated under this Agreement. The impartial Arbitrator is without authority to preside over any PAGA claim on behalf of any other person or joined by or consolidated with any other person's PAGA claim. This Agreement to exclude PAGA actions will be severable from this Agreement if there is a final judicial determination that it is invalid, unenforceable, unconscionable, void or voidable. In such case, the PAGA action must be litigated in a civil court of competent jurisdiction—not in arbitration—but the portion of the Agreement to exclude PAGA actions that is enforceable will be enforced in arbitration.

For rest period and meal period claims, the time limit for bringing such claims is the time limit for bringing grievances under this Article 15. For all other claims covered by this Section, the intent of the parties is to use the shortest time limit permitted by applicable law, as determined by the Arbitrator. All substantive and procedural rights applicable to mandatory arbitration of employment claims shall be observed (e.g. the right to more than minimal discovery, payment of costs by the Employer, a written award, etc.). The impartial Arbitrator shall manage all such claims with due regard for the rights of the employees and the inherent advantages of arbitration over court proceedings. The Arbitrator shall be authorized to award any and all remedies otherwise available by law.

Statutory claims described above (other than meal period and rest period claims) shall be initiated by an aggrieved employee by written notice within the statute of limitations period to the Individual Employer with a copy provided to the Union. Once a grievance is filed for a statutory claim(s) described above, the Union, the aggrieved employee and the Individual Employer shall meet within thirty (30) calendar days, or other time as mutually agreed upon, to discuss and attempt to resolve the grievance. Should the grievance not be satisfactorily resolved to the satisfaction of the aggrieved employee within the foregoing time frame, the aggrieved employee may proceed directly to arbitration under the procedures set forth in this Article.

The aggrieved employee and Individual Employer shall request a panel of five (5) labor Arbitrators from the Federal Mediation and Conciliation Service. The Arbitrators shall be members of the National Academy of Arbitrators and located in Northern California. The aggrieved employee and Individual Employer will select an impartial Arbitrator from the panel using an alternative striking method with the party making the first strike determined by the flip of a coin. The Individual Employer shall be responsible for paying the cost of arbitration, including the Arbitrator's fee. The impartial Arbitrator shall have the authority to consolidate individual statutory claims for hearing but shall not have the authority to fashion a proceeding as a class, collective or representative action, to award relief to a group or class of employees in one grievance or arbitration proceeding, and under no circumstances may the impartial Arbitrator hear or preside over any class, collective, or other claim joined by or consolidated with another person's or entity's claim, unless all parties agree in writing. The impartial Arbitrator shall have the authority to apply the applicable Federal, State or local law to the statutory claim(s), but shall be prohibited from interpreting this Agreement. A decision of the impartial Arbitrator shall be final and binding upon the aggrieved employee and the Individual Employer.

If the impartial Arbitrator determines that the resolution of a statutory claim requires an interpretation of

this Agreement, the impartial Arbitrator shall certify a question to the Union and Employer seeking an interpretation of the relevant Section(s) of this Agreement. However, the preceding sentence does not apply to the Agreement to exclude PAGA actions and whether the Arbitrator may preside over any class, collective, or other claim joined by or consolidated with another person's or entity's claim. The Union and the Employer shall provide a response to the certified question within fourteen (14) days of receipt from the impartial Arbitrator. If the Union and the Employer cannot mutually agree upon the interpretation of the relevant Section(s) for the response to the certified question, the certified question shall be submitted to the panel of Arbitrators listed in Section 3 of this Article for a decision.

If a court of competent jurisdiction finds any term or clause in this Section to be invalid, unenforceable, or illegal, such a term or clause may be revised to the extent required according to the opinion of the court to render this Section enforceable or valid so as to preserve the Agreement and intent to the fullest possible extent.

This Section shall apply to any representative PAGA claims, class and/or individual claims that arise or are pending during the term of the parties' current Collective Bargaining Agreement, regardless of when they were filed with any court or administrative agency.

- (b) **Due Date** - All payroll deductions and contributions based on hours worked in a particular month shall be payable under this Agreement on or before the fifteenth (15th) day of the following month (the "due date") and will be deemed delinquent if not received by the last business day of the month, at which time liquidated damages shall be incurred and interest assessed as of the first day of the next month.
- (c) **Liquidated Damages and Interest Assessments** - Because of the difficulty of determining the actual expense of collection or of damage resulting when a monthly payment is delinquent, liquidated damages, as well as interest, shall be assessed against both delinquent contributions and payroll deduction remittances, referred to in this Article, together with reasonable attorneys' fees, audit fees and any other expenses incurred in connection with the delinquency. The amount of liquidated damages shall be the greater of twenty percent (20%) of the delinquent contributions and payroll deductions or one hundred fifty dollars (\$150.00) per month, whichever is greater. However, if the delinquencies are paid prior to the filing of a lawsuit, liquidated damages shall be the greater of ten percent (10%) of the delinquent contributions and payroll deductions or one hundred fifty dollars (\$150.00), not to exceed seven hundred fifty dollars (\$750.00) per month, per contract. Interest shall be assessed on delinquent contributions and payroll deductions at such rate as the Trustees of the Trust Funds may determine. The amount of the assessments on delinquent payroll deduction remittances shall be the same as is established by the Trustees of the District Council 16 Northern California Health & Welfare Trust Fund.
- (d) **Economic Action** - If the required contribution and liquidated damages owed by the delinquent Employer to any or all of the Funds, or the payroll deductions and/or other contributions referred to in this Article, are not received by the last business day of the month in which they are due and payable, then in addition to the foregoing it shall not be a violation of this Collective Bargaining Agreement for the Union to withdraw employees from the job or shop of such delinquent Employer. Any employee withdrawn from the job or shop of the delinquent Employer, pursuant to this Section shall be paid by such Employer the sum of one (1) days' wages and fringes for each day of work lost by the employee being so withdrawn up to a maximum of five (5) days to compensate the employee for the inconvenience and loss of time due to said delinquency. Such payment shall be in addition to all wages due the employees for time actually worked prior to their withdrawal from the job or shop of the delinquent Employer. In addition the Union shall have such further remedies as set forth in this Agreement.
- (e) **Rights and Remedies** - The rights and remedies against a delinquent Individual Employer as set forth above are not exclusive but are cumulative and nothing in this Article shall in any way

limit any one's right to enforce the collection of contributions or payroll deductions by any legal means. The Board of Trustees of each Trust Fund may compel and enforce the payment of the contributions in any manner in which they may deem proper; and the Board of Trustees may make such additional rules and regulations to facilitate and enforce the collection and payment thereof as they may deem appropriate. The Board of Trustees may, in the event of repeated delinquencies by the same Employer, make special rules applicable to such Employer's contributions, including rules requiring bond or other security and rules with respect to the due and/or delinquent date of said Employer's contributions. Failure of an Employer to pay the contributions required hereunder within fifteen (15) days after the date due shall be a violation of the collective bargaining agreement between the said Employer and the Union, as well as a violation of the Employer's obligations hereunder. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer from his obligations to make payments.

- (f) **Place of Payments** - All contributions and payroll deductions referred to in this Article shall be paid at the place or places designated by the Trusts, NCPFC and the Union, and on such forms as they may require.
- (g) **Minimum Contribution Rates** - The Employer and the Union party to this Agreement recognize and acknowledge the Trustees' rights to set minimum contribution rates for participation in their respective Funds. - (h) **Payroll Inspection** - The Administrator of the Trust Funds referred to in Section 1 above, the Administrator's C.P.A. or C.P.A. designated by the Union shall be allowed to inspect the payroll records of any Employer or the Union, with reasonable written notice to ascertain if the provisions of this Agreement are being complied with.

- (j) **Electronic Record Keeping** - Where time records are maintained electronically, upon the request of the Trust Funds or their agents, auditors, administrators or attorneys, the Employer shall provide a detailed description of the procedure for the maintenance of such electronic time records, including but not limited to the method and procedure by which the time, job and type of work is reported, recorded and secured from alterations as of the date of input or thereafter.  - (9) All applicable hourly rates in effect during the pay period and the corresponding number of hours worked at each hourly rate.
- (l) **Failure to Keep Records** - If an Employer fails to keep time cards or time records as required above, said Employer is required to pay fringe benefit contributions as if any sums paid to individuals by such Employer were wages for work covered by this Agreement. In addition, there shall be a rebuttable presumption, at the option of the Trusts, that any employee who worked in a given week for whom complete, signed, time cards or time records, were not made available for review by the Trusts representative, shall be deemed to have performed covered Journeyman work for a minimum of eight (8) hours per day, totaling forty (40) hours for that week.

Section 5. Upon the written request of the Board of Trustees, or their duly authorized representative, such Employer may be requested to bring or send his/her records for auditing to the Trust Fund Office or to the office of the designated accountant.

Any bonuses, safety incentive pay, expenses or sums of monies paid to an employee other than as

Such amounts are to be determined by the said Administrator. Such bond or cash in lieu of bond is not in any way to be construed in lieu of payments required pursuant to this Agreement. All such bonds shall be deposited with the Trust Funds and all bonds shall be in a form acceptable by the Board of Trustees and shall be enforceable throughout the term of this Agreement.
- (b) Each Employer must comply with the bonding provisions of this Agreement if the Employer has more than one (1) delinquency within a twelve (12) consecutive rolling month period as shall be determined by the Trustees. The Trustees may, within their sole discretion, require such Employers to file report forms and make contribution payments at more frequent intervals than is required of other Employers. When an Employer, after having deposited said bond, attains a record of twelve (12) consecutive months of prompt, timely and proper payment of wages and Trust Fund Contributions, he/she may have said bond returned upon proper application to the said Administrator and the approval of the Trustees. If the Bond must be used to make any payment of wages or contributions to said Trust Funds, the money shall first be applied to the payment of wages of employees working under this Agreement and the balance shall be prorated among the amounts due by the Employer to the various Trust Funds. In the event an Employer fails to deposit a satisfactory bond within the time provided and the notice herein provided for has been given, all employees shall be withdrawn from the job or shop of the Employer and all employees withdrawn pursuant to this Section shall be paid by such Employer the sum of one (1) days' wages and fringes for each day of work lost by the employee being so withdrawn up to a maximum of five (5) days to compensate for the inconvenience and loss of time due to the Employers failure to post bond. Section 2. PICKETING - It shall not be a violation of this Agreement for employees to refuse to pass through or work behind a legitimate picket line recognized by the Building and Construction Trades Council in the area where the work is being performed.

Section 3. No employee shall work for any signatory Employer that has failed, neglected or refused to pay his or her employees the wages, fringes or other compensation provided for in this Agreement. The Union may take such economic action by strike, picket line or boycott, as it may see fit, against any Employer so failing, neglecting or refusing to pay his/her employee the wages, fringes or other compensation provided for in this Agreement.

Section 4. Employees covered by this Agreement shall have the right to respect any legal primary picket line validly established by any bona fide labor organization, and the Union party to this Agreement has the right to withdraw employees covered by this Agreement whenever the Employer party to the Agreement is involved in a legitimate primary labor dispute with any bona fide labor organization.

Section 5. NON-UNION JOBSITES - Furthermore, recognizing the "Special problems" in the construction industry based upon the close relationship between contractors and subcontractors at the jobsite of the construction, alteration, painting, or repair of a building, or other such work and the friction that is created when union and non-union employees are required to work side-by-side, it shall not be a violation of this Agreement and it shall not be a cause for disciplinary action or discharge in the event an employee refuses to enter upon any such construction site where non-union employees are employed and which would require the employee to work "shoulder-to-shoulder" or alongside the non-union employee or employees, or refuses to remain on such jobsite when non-union employees are engaged in such construction on the jobsite. This clause shall apply only to jobsites where the Union's

members are working, whether it is on a construction site of the Employer or at any other jobsite.
