ARTICLE 18

Section A. Trust Funds

1. Current Trust Funds:

This Agreement requires contributions to be made on behalf of all employees of the employer performing work covered under the terms of this Agreement in accordance with Schedule A to the following jointly-administered Trust Funds:

- **Northern California Glaziers Pension Trust Fund**
- **District Council 16 Northern California Health & Welfare Trust Fund**
- **Northern California Glaziers Individual Account Retirement Trust Fund**
- **IUPAT Union & Industry National Pension Fund**
 - a.) Each Employer may designate no more than two (2) owner, partner or a person holding proprietary interest in the business as a Contractor Member of the Union. Contractor Members may perform work covered by this Agreement and the Employer shall not be required to make Trust Fund contributions on behalf of Contractor Members.
 - b.) For the purpose of this Agreement all records may be hard copy or electronic copy.

Section B. Trust Agreements

The Trust Agreements of each of the Trust Funds as in effect on the date of this Agreement are incorporated herein by reference and made a part of this Agreement. Amendments to those Trust Agreements which are duly adopted after the date of this Agreement shall automatically be incorporated herein and made a part of this Agreement. Should any of the Trust Funds merge into or with another jointly-administered Trust Fund or Funds, then the Trust Agreement resulting as a consequence of that merger shall automatically be incorporated herein and made a part of this Agreement.

1. Whereas, the Northern California Glaziers Pension Trust Fund has been certified by its actuary to be in critical status as of July 1, 2010, under Code Section 432(b) and ERISA

Section 305(b) and consequently the Board of Trustees has provided the collective bargaining parties with its Rehabilitation Plan dated November 10, 2010 and an addendum thereto adopted on February 14, 2018, including schedules that contain benefit reductions and increases in contribution rates as required by Code Section 432(e) and ERISA Section 305(e). Therefore, District Council 16 and the Northern California Glass Management Association and /or the Individual Employer Signatory to this Agreement hereby adopt the benefit reductions and contribution rates set forth in the Recommended Schedule of the Rehabilitation Plan and addendum adopted by the Board of Trustees and incorporate said Recommended Schedule into this Agreement as though it was set forth in its entirety. The hourly Production Worker contribution rates shall follow the most current Trustees' Schedule.

Those classifications contained in this Agreement that provide for contribution rates that are different from the contribution rates set forth above, then the Employer shall pay additional contributions that do not provide benefit accrual credit which are proportional to the above rates. The above contribution rates shall be in effect for the duration of this Agreement.

Section C. Trustees

Each Employer does hereby designate the Board of Trustees of the Trust Funds referred to above, including any trust funds created as a result of a merger, as trustees for all proper and lawful purposes as provided in the various trust agreements and as required by law. District Council 16 of the International Union of Painters and Allied Trades shall appoint all Union Trustees in accordance with its bylaws. The Northern California Glass Management Association shall appoint their Trustees in accordance with their bylaws.

Section D. Payments To Trust Funds

- 1. Payroll Deductions:** The Individual Employer agrees to make the payroll deductions and remittance thereof, of the Industry Promotion Fund, Dues Check-Off, IUPAT Administrative Dues Check-Off, Organizing Dues, Unity Action Dues and of the Member Benefit Fund deductions of this Agreement. The consequences of any delinquent remittance of these deductions shall be the same as those provided by the Trust Agreements of the District Council 16 Northern California Health & Welfare Trust Fund.
- 2. Due Date:** All payroll deductions and contributions based on hours worked and/or paid in a particular month shall be payable under this Agreement on or before the fifteenth (15th) day of the following month (the "due date") and will be deemed delinquent if not received by the end of the month, at which time liquidated damages shall be incurred and interest assessed as of the due date.
- 3. Liquidated Damages:** Because of the difficulty of determining the actual expense of collection or of damage resulting when a monthly payment is delinquent, liquidated damages, as well as interest, shall be assessed against both delinquent contributions and payroll deduction remittances, referred to in this Article, together with reasonable attorney's fees and any other expenses incurred in connection with the delinquency. The amount of assessments shall be as the Trustees of the Trust Funds may determine. The

amount of the assessments on delinquent payroll deduction remittances shall be the same as is established by the Trustees of the District Council 16 Northern California Health & Welfare Fund.

- 4. Economic Action:** If the required contribution and liquidated damages owed by the delinquent Employer to any or all of the Funds, or the payroll deductions referred to in this Article, are not received by the last day of the month in which they are due and payable, then in addition to the foregoing it shall not be a violation of this Collective Bargaining Agreement for the Union to withdraw employees from the job or shop of such delinquent Employer. Any employee withdrawn from the job or shop of the delinquent Employer, pursuant to this Section shall be paid by such Employer the sum of one (1) days' wages and fringes for each day of work lost by the employee being so withdrawn up to a maximum of five (5) days to compensate him for the inconvenience and loss of time due to said delinquency. Such payment shall be in addition to all wages due the employees for time actually worked prior to his withdrawal from the job or shop of the delinquent Employer. In addition, the Union shall have such further remedies as set forth in this Agreement.
- 5. Rights and Remedies:** The rights and remedies against a delinquent Individual Employer as set forth above are not exclusive but are cumulative and nothing in this Article shall in any way limit any one's right to enforce the collection of contributions or payroll deductions by any legal means. The Board of Trustees of each Trust Fund may compel and enforce the payment of the contributions in any manner in which they may deem proper; and the Board of Trustees may make such additional rules and regulations to facilitate and enforce the collection and payment thereof as they may deem appropriate. The Board of Trustees may, in the event of repeated delinquencies by the same Employer, make special rules applicable to such Employer's contributions, including rules requiring bond or other security and rules with respect to the due and/or delinquent date of said Employer's contributions. Failure of an Employer to pay the contributions required hereunder within fifteen (15) days after the date due shall be a violation of the Collective Bargaining Agreement between the said Employer and the Union, as well as a violation of the Employer's obligations hereunder. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer from his obligations to make payments.
- 6. Place of Payments:** All contributions and payroll deductions referred to in this Article shall be paid at the place or places designated by the Trusts, NCGMA and the Union, and on such forms as they may require.
- 7. Minimum Contribution Rates:** The Employer and the Union party to this Agreement recognize and acknowledge the Trustees' rights to set minimum contribution rates for participation in their respective Funds. Should the total wage package not be sufficient to provide minimum rates required, the parties recognize that the Trusts specified in the Agreement cannot continue to provide such benefits and other arrangements will have to be made to provide them.

- 8. Payroll Inspection:** The Administrator, Administrators C.P.A. or C.P.A. designated by the Union of each said Funds referred to in Section 1 above shall be allowed to inspect the payroll records of any Employer or the Union, with reasonable written notice to ascertain if the provisions of this Agreement are being complied with.

Section E. Records To Be Kept By Employers

In addition to any records required by the Trust Funds, Employers agree to maintain the following records:

- 1. Time Cards or Time Sheets:** Employers shall keep weekly time cards or time sheets on which shall clearly appear the employee's full name and the last four (4) digits of their social security number or member identification number, the job name, the hours worked each day and total hours worked each week, showing total straight time hours and total overtime hours. The time cards or time sheets shall also record daily start times and stop times as well as the start times and stop times of all meal periods. The employee shall sign the time card or time sheet and shall be given the opportunity to note any missed or non-compliant meal periods or rest periods and any other disagreements with the information contained on the time card or time sheet. The time card or time sheet shall also show the type of work performed if other than work covered by this Agreement.
- 2. Checks and Check Stubs:** Each pay check and each stub or copy shall clearly indicate the date of payment, pay period covered, company name, and shall include:
 - a.) Total straight time hours worked and the rate of pay;
 - b.) Total overtime worked and overtime rate;
 - c.) Total gross wages paid;

 - j.) All hours accrued for sick leave and vacation.

3. **Failure to Keep Records:** If an Employer fails to keep records as required above, said Employer is required to pay fringe benefit contributions as if any sums paid to individuals by such Employer were wages for work covered by this Agreement.

Section F. Audits Of Records

The Board of Trustees, or their authorized representatives, may require any Association, any Employer, the Union, any labor organization or any beneficiary to submit to it any information relevant to the administration of the Trust. Upon notice in writing from the Trust Funds, an Employer must permit an accountant, or agent of an accountant, of the Board of Trustees to enter upon the premises of such Employer or the Union during business hours to examine and copy the following records:

1. Canceled checks and check stubs showing all monies paid to each employee of the Employer.

Whenever an employee appears on work as defined in this Agreement and he/she appears as an employee or subcontractor for other work on the Employer's records, fringe benefits shall be paid. The hours due shall be computed at the rate of glazier's wages per hour when lump sums have been paid, or on the labor portion of an itemized invoice.

Section G. Bonding

Each Employer shall, within ten (10) days of the mailing of notice by the Administrator of the Trust Funds, give a bond in a sum equal to the greater of five-thousand dollars (\$5,000.00) or one-third (1/3) of the wages and contributions made or due under the terms of this Agreement, or the Agreement immediately preceding this Agreement, by such Employer in the twelve (12) month period just prior to the mailing of said notice. Such amounts are to be determined by the said Administrator. Such bond is not in any way to be construed in lieu of payments required pursuant to this Agreement. All such bonds shall be deposited with the Trust Funds and shall be in a form acceptable by the Board of Trustees. Each Employer must comply with the bonding provisions of this Agreement if the Employer has more than one (1) delinquency within a twelve (12) consecutive rolling month period as shall be determined by the Trustees. The Trustees may, within their sole discretion, require such Employers to file report forms and make contribution payments at more frequent intervals than is required of other Employers. When an Employer, after having deposited said bond, attains a record of twelve (12) consecutive months of prompt, timely and proper payment of wages and Trust Fund Contributions, they may have said bond returned upon proper application to the said Administrator and the approval of the Trustees. If the Bond must be used to make any payment of wages or contributions to said Trust Funds, the money shall first be applied to the payment of wages of employees working under this Agreement and the balance shall be prorated among the amounts due by the Employer to the various Trust Funds. In the event an Employer fails to deposit a satisfactory bond within the time provided and the notice herein provided for has been given, all employees shall be withdrawn from the job or shop of the Employer, all employees withdrawn pursuant to this Section shall be paid by such Employer the sum of one (1) days' wages and fringes for each day of work lost by the employee being so withdrawn up to a maximum of five (5) days to compensate for the inconvenience and loss of time due to the Employers failure to post bond. Such payment shall be in addition to all wages due the employees for time actually worked prior to being withdrawn from the job or shop of the Employer. In addition, the Union shall have such

further remedies as set forth in this Agreement.

Section H. Transfer of Money from Wages to Benefit Funds

Such request shall be made in writing at least thirty (30) days prior to the proposed effective date of the change. The Employer will honor such request effective upon the date set forth in a Memorandum Of Understanding (Wage Schedule A) between NCGMA and the Union.

Section J. Fringe Benefit Coverage For Other Employees

Each of the Trust Funds may adopt rules allowing employees not covered by this Agreement to participate in those Trust Funds to the extent permitted by law.
