Local 718 Endorsement Letter

Alan Wong, San Francisco Board of Supervisors, District 4

Dear Alan,

I am pleased to formally notify you that at our most recent membership meeting, the members of Glaziers Local 718 voted unanimously to endorse your 2026 candidacy for San Francisco Board of Supervisors, District 4. As a lifelong Sunset District resident, former City College of San Francisco trustee, advocate for children and families at the Children's Council of San Francisco and dedicated public servant—including 15+ years in the California Army National Guard—718 feels that you bring deep community roots, proven leadership, and a commitment to practical solutions.

Since your appointment in December 2025 by Mayor Daniel Lurie, you have focused on the issues that matter most to District 4 residents: safer streets, cleaner neighborhoods, affordable housing, responsible development, and ensuring the Sunset and Parkside voices are heard at City Hall. Your background in labor organizing, legislative experience, and service-oriented approach make you an effective, steady representative who delivers results for our diverse community.

Local 718 stands firmly with you. We encourage our members, their families, and our broader community to support Alan Wong for San Francisco Board of Supervisors, District 4. Please keep us updated on campaign events; we are ready to help in any way we can.

In solidarity,

Trevor Long
